

**Title: Beyond Church Planting**

**Author: Robert E. Logan & Neil Cole**

Authentic kingdom ministry flows out of who God is ... who we are ... how we relate to each other ... and how we fulfill God's purpose for his people. If you want to plant a church that ...

- Experiences God
- Cultivates true followers of Jesus Christ
- develops organically within the culture
- Empowers its members to serve fruitfully
- Grows and reproduces itself

Then ***Beyond Church Planting*** is for you!

Forged out of the crucible of experience, this groundbreaking resource will help you avoid the mistakes of the past and gain insights that will pave the way for the emergence of fruitful multiplication of disciples, leaders, churches, and movements.

The combined church planting experience of the authors: **Robert Logan & Neil Cole** and contributing authors: **Mike Perkinson & Tom Johnston** - spans more than seven decades and has catalyzed the planting of thousands of new churches worldwide.

This resource kit includes a three-ring binder notebook, audio CD's and the author's powerpoint presentation on CD.
