

Greetings,

Thank you for your request for the Application for Registration of Clergy for the province of Alberta. As a representative who applies for these licenses to the government of Alberta, we can only do so if you are connected with one of our Alberta Baptist Association churches or ministries. If you are from one of the Alberta Baptist Association churches or ministries, I will need to receive in writing a recommendation from the pastor or key leader of that church or ministry. In summary, these are the items needed to apply for a license:

1. Name of church or ministry you are serving with or presently attending;
2. A letter from the Alberta Baptist Association pastor affirming you are in good standing to receive a license. If you are with an auxiliary organization of the Alberta Baptist Association then we would need a similar letter from the Executive Director or board chairman of that ministry;
3. After receiving confirmation from the pastor or Executive Director of the ministry, we will send to you the Alberta Baptist Association marriage policy for you to read;
4. If in agreement with the policy, you will need to return a signed copy of the agreement to the Alberta Baptist Association office;
5. Upon receipt of the signed copy of the marriage policy agreement we will apply for the Registry on your behalf. The Registry is usually sent to us within two weeks of applying. As soon as we receive it we will forward the document to you.

Thank you for assisting us in this way.

Sincerely,

Bob Walther, Regional Minister  
Alberta Baptist Association
